1. Dashboard

The Dashboard is your landing page after login. It shows a high-level snapshot of the entire CRM.

Dashboard - Overview with key metrics, pipeline stats, and recent activity

What You See

- **Total Leads, Enrolled, Conversion Rate** - Pipeline metrics at a glance
- **Active Institutions** - Number of client partnerships
- **Recent Activities** - Latest logged activities across the team
- **Notifications bell** (top-right) - Contract renewals, pending reports, lead alerts

2. Client Management (Institutions)

The Clients module manages your institutional partnerships - universities, colleges, and other education providers. This is the backbone of the CRM.

2.1 Client List

Navigate: **Sidebar > Clients**

The screenshot displays the ILLUME Client Management interface. On the left is a dark blue sidebar with navigation links: Dashboard, Clients (selected), Students & Pipeline, Sources, Markets, Stakeholders, Activities, Events, Analytics, Reports, Tasks, HR & ERP, Travel, and Risk & Compliance. The main header shows 'ILLUME Student Advisory Services' and a search bar. The top right has a bell icon and 'SA System Admin'. The main content area is titled 'Clients' with a subtitle 'Manage partner universities, colleges and institution accounts'. It features summary cards for 'Total Partners' (9), 'Active' (7), 'Renewal Due' (0), and 'Prospects' (2). Below these are filters for 'Search by name or country...', 'All Statuses', 'All Types', and 'All Regions'. The main list shows 9 institution cards, each with a logo, name, location, status, and counts for Leads, ICRs, and Contracts. The institutions listed are: Queen's University Belfast (UK), RMIT University (Australia), University College Dublin (Ireland), University College London (UK), University of British Columbia (Canada), University of Manchester (UK), University of Melbourne (Australia), University of Toronto (Canada), and deep's university (India). At the bottom, a caption reads: 'Clients page - Card view showing 9 partner institutions with lead counts, ICR assignments, and contract counts'.

Institution	Location	Status	Leads	ICRs	Contracts

2.3 KPIs Tab

The screenshot displays the Illume Student Advisory Services dashboard for University College London. The left sidebar contains navigation links: Dashboard, Clients, Students & Pipeline, Sources, Markets, Stakeholders, Activities, Events, Analytics, Reports, Tasks, HR & ERP, Travel, and Risk & Compliance. The main content area shows the client profile for University College London, including its status (Active), location (United Kingdom - Europe), website, university type, and a renewal date of 31 Dec 2026. Below this, a tabbed interface shows various metrics: Governance, Overview, Team, Contacts (2), Contracts (2), Engagement (2), KPIs (selected), and Documents. The KPIs tab for 2025 shows 6 KPIs tracked. The Recruitment category is expanded, showing three KPIs: Conversion Rate (Quarterly, Q2) at 82%, Enrollment Conversions (Annual) at 56%, and Total Applications (Annual) at 68%. Each KPI includes a progress bar and an 'Update Progress' link. A '+ Add KPI' button is visible in the top right of the KPIs section.

KPIs tab for UCL (2025) - 6 KPIs tracked across Recruitment, Engagement, Market Development, and Relationship categories

- **Year selector** at top to switch between years
- KPIs grouped by category (Recruitment, Engagement, Market Development, Relationship)
- Each KPI shows: name, period (Annual/Quarterly), current vs target, progress bar, percentage
- **"Update Progress"** link to update current values
- **" + Add KPI"** button to create new KPIs

Contracts tab - Table shows title, value, dates, status, renewal warnings, and a Files column with attachment count

- Each contract row has a **chevron (>)** - click to expand and see/upload attachments
- **Files column** shows attachment count with paperclip icon
- When expanded: **"Attach File"** button to upload documents (PDF, DOCX, images, up to 5MB)
- Attachments can be **downloaded** (click download icon) or **deleted** (hover to see trash icon)
- Renewal warnings show as colored badges: red for expired or < 30 days, amber for < 60 days

3. Students & Pipeline

Navigate: **Sidebar > Students & Pipeline**

The screenshot displays the ILLUME Student Pipeline interface. On the left is a dark sidebar with navigation links: Dashboard, Clients, Students & Pipeline (active), Sources, Markets, Stakeholders, Activities, Events, Analytics, Reports, Tasks, HR & ERP, Travel, and Risk & Compliance. The main header shows 'ILLUME Student Advisory Services' with a search bar and a 'System Admin' profile. The page title is 'Student Pipeline' with a subtitle 'Track and manage student leads through the recruitment funnel.' Below this are tabs for 'Kanban' and 'List', and buttons for 'Export' and 'Add Lead'. A search bar for leads and filters for 'All Stages', 'All Institutions', and 'All ICRs' are present, indicating 53 leads. The Kanban board has five columns: NEW (8 leads), CONTACTED (9 leads), APPLICATION SENT (9 leads), DOCS RECEIVED (6 leads), and OFFER ISSUED (1 lead). Each lead card shows the student's name, country, program, institution, and assigned ICR. A summary bar at the bottom states: 'Student pipeline - 53 leads across 9 stages with filters, search, and stage-based color coding'.

How It Works

- 1 Lead Created** - Student enters as NEW (via form, agent referral, or event)
 - 2 CONTACTED** - ICR makes first contact
 - 3 APPLICATION_SENT** - Application submitted to institution
 - 4 DOCUMENTS_RECEIVED** - Supporting documents collected
 - 5 OFFER_ISSUED** - Institution issues an offer letter
 - 6 ENROLLED** - Student accepts and pays deposit
- **Filter by:** stage, institution, source, region, assigned ICR
 - **Click any student** to see full profile: documents, activity timeline, notes
 - Leads can also be DEFERRED, REJECTED, or LOST

- The system tracks **last contacted** and **last progressed** dates for follow-up alerts

Role-Based Access Control (RBAC)

The system uses a sophisticated RBAC model with 8 roles across 20+ resources and 5 actions (view, create, edit, delete, export).

- **SUPER_ADMIN**: Full access to everything
- **HQ_EXECUTIVE**: Read access to all modules, write access to reports and strategic items
- **HQ_ANALYTICS**: Read-only access to analytics, reports, and pipeline data
- **REGIONAL_MANAGER**: Full access to their region's data, approve reports
- **ICR**: Manage their assigned institutions, students, activities; submit reports
- **INSTITUTION_CLIENT**: View their own institution data only
- **HR_MANAGER**: Full access to HR module (employees, leave, attendance, KB)
- **EMPLOYEE**: View own data, submit leave requests, view announcements

Security Note: Permission overrides can be configured at Settings > Permissions to grant or revoke specific permissions per role. The system supports database-level permission overrides on top of the static RBAC matrix.
